MISCELLANEOUS READING. MR. WEBSTER ON STYLE OF WRITING. We extract the following criticism from one of the posthumously published letters of Daniel Webster:

"A book might be written on this little

question: When is effect produced by gen-

eralization-when by particularization?' At

least a book might be filled with opposite instances of both kinds from our English classics, especially the Scriptures, Shakspeare. and Milton. An accurate writer should avoid generalities sometimes, not always, but when, it would require a treatise to expound. I rejoice to see one rhetorician who will allow nothing to words but as they are signs of TOTICE .- As required by the resolutions of ideas. The rule is a good one to use no word bad poet-somewhere speaks of the flight of an angel as being with 'most amazing speed.' Resolved, That, in pursuance of the request But what idea is conveyed by the mode of

> fell from Heaven: " From morn To noon he fell; from noon to dewy eve, A summer's day, and, with the setting sun, Dropt from the zenith like a falling star.'

other hand, see with what unequalled skill

which and the speed with which Mulciber

"What art is manifested in these lines! The object is to express great distance and great velocity, neither of which is capable of very easy suggestion to the human mind .-Aqueduct over the Potomac to be used for the We are told that the angel fell a day, a long summer's day; the day is broken into forenoon and afternoon, that the time may seem to be protracted. He does not reach the earth till sunset; and then, to represent the
